ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, whichever the case may be, together with interest as determined by the Board of Directors of the Association, costs, and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest as determined by the Board of Directors of the

Association, costs, reasonable attorney's fees, shall also be the personal obligation of the person(s) who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, recreational facilities, and of the townhouses situated upon the Properties.

Section 3. Annual Assessment. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessment on a Lot is binding upon the Association as of the date of its issuance.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area and of the townhouses situated upon the Properties, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Class A members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 shall be

sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the Class A members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 7. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the assessment, file a Notice of Lien against the property and foreclose the Lien, or take such other action as the Association, by and thru its Board of Directors, shall determine. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Lot. In the event the Association takes any action to collect the assessment, the Association shall be entitled to collect reasonable attorney fees and costs from the delinquent Owner.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

ARCHITECTURAL CONTROL

No building, fence or wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

EXTERIOR MAINTENANCE

Except as hereinafter set forth, each Owner shall be solely responsible for the care, maintenance and upkeep of their respective townhouse. In the event any owner shall fail to comply with the terms hereof, the Association shall provide at least fifteen (15) days written notice to the Owner setting forth with reasonable particularity what maintenance, cleaning, repairs and/or replacement is required, and further, setting forth when such work is to be completed by the Owner. In the event such Owner fails to comply with such written demand within the time afforded, the Association may provide (but shall not have the obligation to provide) any such maintenance, cleaning, repair and/or replacement at the sole cost and expense of the Owner and said cost and expense shall be added to and become a part of the annual assessment and be collectible in accordance with the provisions set forth in Article IV, Section 7, above.

In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint, repair,

replacement and care of roofs, gutters, downspouts, exterior walls, trees, shrubs, grass and walks. Such exterior maintenance shall not include glass surfaces, windows or the balcony of each townhouse, the responsibility of which shall be solely with the Owner of such townhouse.

In the event that the need for maintenance or repair by the Association of a Lot, or the improvements thereon, is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests or invitees of the Owner of the Lot needing such maintenance or repair, the cost of such maintenance or repair shall be added to and become part of the annual assessment to which such Lot is subject and be collectible in accordance with the provisions set forth in Section 7 above.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who

by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE VIII

From and after the completion of the construction of each Residence on a Lot and the delivery thereof to its initial Owner, no trade or business shall be carried on within any Residence and no signs shall be placed on or within any Lot (other than designations, in such styles and materials as the Association shall by regulation approve, or street addresses and names of the Owners) except that Owners desiring to offer Lots for sale or rent have the right to place upon the Lot concerning such "for rent" or "for sale" signs as the Association may approve.

Section 4. No domestic or other animals of any kind shall be kept or maintained within any Lot, except for such birds, dogs, cats, ornamental fish and other household pets as may be permitted by regulations adopted by the Association from time to time, it being expressly understood that the Association is hereby granted and shall have power to entirely prohibit the keeping or maintenance of any or all of such pets or animals.

Section 5. Laundry, bedding and the like shall not be hung out to dry at a location in which it is visible from the exterior of any Residence or from any public street. Each Lot is further declared to be subject to an easement in favor of any adjoining Lot to the extent necessary to permit the maintenance, supply, repair and servicing of utility services to the various Residences, and the repair or reconstruction thereof in the

event of damage or destruction. An easement on each Residence on a Lot is hereby reserved by the Association for itself and its Successors and Assigns along, over, under and upon a strip of land fifteen to forty (15' - 40') feet in width, parallel and contiguous with a rear or back lot line of each Lot, in addition to such other easements as may appear on the said Plat hereinabove referred to. The purpose of these easements shall be to provide, install, maintain, construct and operate drainage facilities, now or in the future, and utility service lines to, from or for each of the individual Lots. Within these easements no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities or which may change the direction or flow of drainage channels in such easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the owner of the Lot, except for those improvements for which a public authority or utility company is responsible. For the purpose of this covenant, the Association reserves the right to modify or extinguish the easement(s) herein reserved along any lot lines when in its sole discretion adequate reserved easements are otherwise available for installation of drainage facilities or utility service lines. For the duration of these restrictions, no such utilities shall be permitted to occupy or otherwise encroach upon any of the easement areas reserved, without first obtaining the written consent of the Association.

Section 8. The Owner of each Lot shall from time to time grant such additional easements and rights over, across, on, under and upon his Lot as may be reasonably necessary in connection with the supply of any of the utilities to any part of the Property.
